

MANAGED STAFF TRAINING & PROFESSIONAL DEVELOPMENT SERVICES

Treeline Associates, Inc. has been successfully operating in southeastern Michigan since our founding in 1998. In addition to staff training and professional development services, our clients rely on us for bookkeeping, marketing, advertising, public relations consulting, strategic planning and event planning.

Program Development

- Training Needs Assessment
- Individual Course Development
- Curriculum Development
- Certification Development
- Certification Tracking

Training Session Facilitation

- Speaker Search and Selections
- Speaker Contracting
- Speaker Preparation
- Speaker Panel Coordination
- Webinars / Teleconference Sessions
- Course / Speaker Evaluations
